

American Rescue Plan (ARP), Student Emergency Assistance Awards - June 30, 2021 Report

This report contains information that is required by the U.S. Department of Education.

Hamline University received a supplemental award to its CARES Act, HEERF student funding (84.425E) of \$3,485,600 on May 19, 2021.

President Miller signed and the University submitted a Certification and Agreement document for HEERF I (CARES Act), which continues as the University's commitment to spend these funds in accordance with HEERF terms.

As of June 30, 2021, the University is currently completing a plan to distribute these funds to students in accord with federal guidelines, including prioritizing students with exceptional financial need.
